SCHOOL IS COOL

School is a place where children and teenagers learn new information and practise their skills in different things. There are a lot of subjects, like Maths and Science, Geography and History, Art and Music... One of the most popular subjects is English because many people from all around the world speak this language. Students are all different and that is why they have subjects which they like more and those – which less. Some of them are good at dividing and multiplying. Others are more interested in reading about fascinating battles or practising their computer skills. In general, school is a place where you can not only study, but also make friends who share your interests.

- ___ 1 School is a place where kids and teens learn new things and practise their skills.
- ___ 2 There are not so many subjects at school, only Maths, Science, English and History.
- ___ 3 German and French are the most popular subjects because many people speak them.
- ___ 4 All students have subjects which they find more or less interesting.
- ___ 5 Some students are good at calculations, others – at learning about battles or IT.
- ___ 6 At school you study but don't make friends and have fun with them.

Task 3 Read the paragraph about Sue's birthday and mark the sentences below T (true) or F (false).

Last year I celebrated my birthday with my friends at my favourite cafe. It was on 6th June. The day began with a lot of surprises. First, everyone acted like it was not my birthday. I was sad because I thought they forgot about it. But then, when I came back home from the gym, my parents prepared a festive meal for lunch and gave me some presents. (But I didn't open them right away.) After that, my mum told me to get ready for something special in the evening. When it was 6 pm, Mum and Dad took me to "Theo's" where all of my friends were! It was a great party! We had pizza, there were a lot of games, contests and prizes! In the end, I opened my presents and got a lot of great things. One of them was a new smartphone from my mum and dad! In general, my last birthday was one of the best times in my life!

The weather in our dear England today is interesting. In the north it is cloudy and chilly, about 8 degrees centigrade. Get your umbrellas up because in Manchester it is going to rain. In Leeds the weather is going to be a bit foggy and the temperature now is 10 degrees centigrade. In Birmingham and Cambridge it is warmer – about 12 degrees but in the evening it will be stormy. In the south, however, the weather is better. You can put on your sunglasses in Southampton because it is warm and sunny – 20 degrees! Finally, in London it is also warm and not wet – 19 degrees – but there are some clouds in the sky.

Hi there!

My name is Jack and I am from London, England. It is our capital city and it is famous for its busy life. People here are very active but polite and the streets are often crowded. There are many interesting places that symbolise our English culture and history – the Houses of Parliament and Big Ben, the London Eye, Trafalgar Square... A lot of tourists also come to our city to have fun at our theatres, museums, restaurants and modern clubs. There is something to see and to do for everybody in London. Personally, I like our Hyde Park the most. It is big and the nature there is beautiful. I often go cycling with my friends in this park. Our favourite cafe in London is 'Nando's'. We really enjoy their delicious chicken wings after riding our bikes for 1-2 hours.

READING

Task 3 Read the paragraph and mark the sentences below T (true) or F (false).

A lot of people enjoy travelling around the world. Some of them go abroad to work or study, others – for fun as tourists. Visiting other countries is exciting because you get a chance to discover other cultures and languages, try different cuisines and make many new friends. Every country has a lot of interesting places, beautiful nature and fun things to see and to do. That is where travel agencies come in – they help you choose where to go and what excursions to take. Also, people buy some souvenirs and take photos to remember their trips. Finally, they share a lot of information with their families and friends or plan their next exciting journey.

- ___ 1 People hate visiting other countries.
- ___ 2 There are different reasons to go travelling.
- ___ 3 You can try and learn a lot of new things when you go on a trip.

READING

Task 5 Read the paragraph from Mia's diary and mark the sentences below T (true) or F (false).

Dear Diary,

I'm so excited! We have a new music club and I'm going there with Jim today! I'm sure we will have a lot of fun because we both enjoy dancing so much! However, the weather today is not very good. It's chilly and cloudy, so I need to put on my coat. I also think it is going to rain soon, so I will take my umbrella with me, too. Oh, and I

need to turn on the GPS on my phone – our city is very big and it's easy to get lost. Especially if you don't know where to turn and where to go straight. Well, I believe today is going to be great no matter what. I've heard this new club is really awesome and the music there is modern. Well, I need to hurry up – I don't want Jimmy to wait for me alone in this weather! I'm seeing him at the bus stop at half past four. Wish me luck!

- ___ 1 There is a new sports club in Mia's city.
- ___ 2 Mia and Jim love dancing very much.
- ___ 3 The weather today is very good – warm and sunny.
- ___ 4 Mia's city is very big and it is easy to get lost there.
- ___ 5 Mia needs to hurry up if she doesn't want Jim to wait for her.
- ___ 6 Mia is meeting Jim at the bus stop at 4 pm.
